DETAILED ACTION

Claims 1-27 and 88 are pending in the application.

Election/Restrictions

Restriction to one of the following inventions is required under 35 U.S.C. 121:

Group 1. Claims 1-27, drawn to the compounds of formula 1, wherein the variable W is oxygen; classified in class 568, subclass 12+.

formula 1

Group 2. Claim 27, drawn to the compounds of formula 2, wherein the variable W is a bond; classified in class 568, subclass 12+.

formula 2

Group 3. Claim 27, drawn to the compound of formula 3; classified in class 568, subclass 15+.

formula 3

Art Unit: 1621

Group 4. Claim 27, drawn to the compound of formula 4; classified in class 568, subclass 15+.

formula 4

Group 5. Claim 88, drawn to the compounds of formula 5; classified in class 568, subclass 15+.

formula 5

The inventions of Groups 1-5 are independent and patentably distinct because they are directed to different compounds and require separate search strategy, and there is no patentable co-action among the five groups. A reference anticipating one member will not render the other obvious.

Because these inventions are distinct for the reasons given above and have acquired a separate status in the art because of their recognized divergent subject matter, a search of the five groups designated above would impose an undue burden upon the examiner, and restriction for examination purposes as indicated is therefore proper.

A telephone call was made to Charles Landrum on 07/09/2008 to request an oral election to the above restriction requirement, but did not result in an election being made.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Chukwuma O. Nwaonicha whose telephone number is 571-272-2908. The examiner can normally be reached on Monday thru Friday, 8:30am to 5:00pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Yvonne (Bonnie) Eyler can be reached on 571-272-0871. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
